Story Thus Far...

It is the Era of the Warring States. Usagi is a failure as a ninja, but she is a skilled herbalist. She is working hard to qualify as a ninja so she can be the bride of Hattori Hanzo (aka "Shimo no Hanzo")!

Because Mamezo had gone missing in the Capital, Usagi searches for him and finally finds him inside a huge mansion. It turns out that Mamezo is actually the son of a court noble. Usagi decides to leave him, believing that he would have a better life there. Before returning to Iga, Usagi drops by to see Mamezo one last time. Mamezo clings to Usagi, claiming that he wants to go back to Iga with her. Seeing the strong bond between the two of them, Mamezo's grandfather entrusts Mamezo to Usagi.

Meanwhile, Oda Nobunaga decides to attack Iga once again and orders Mitsuhide Akechi to lead the army. Having no knowledge of this, Usagi and the others head back to Iga happily.
